Dear Mr. Whelan:

We were fortunate to have the use of the Westinghouse facility for our conference on 9 and 10 March. Messrs. Joseph J. Krainer and Robert R. Robertson assured us at the outset that all would go well, and it did. Their personal interest in us was evident, and we appreciate the extra time and effort they expended in helping to make our session a success.

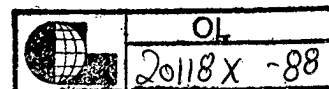

Please convey our gratitude to Joe and Rick. They projected a truly professional image while representing the Westinghouse Electric Corporation.

Sincerely,
